Dear Jay:

I am pleased to inform you that, based on the recommendation of the College Awards Committee, you have been chosen as one of the College's Master Educators. Your name will be added to the plaque that is displayed in Baldwin Hall.

The Master Educators and Distinguished Researchers, as well as the recipients of the Young Wandmacher and the Young Research Awards will be honored at a reception in the foyer of 427 following the next faculty meeting, which will be held at 3:00 p.m on Thursday, May 27. I hope you will be able to attend.

This has been quite a year for you. Catherine has a couple of other letters to deliver to you, and I think she plans to get them to you this afternoon.

Congratulations on being chosen for this honor by your fellow faculty, and best wishes for your continued success.

Carlo
